

NOTICE OF PETITION TO AMEND CERTIFICATE
August 21, 2019

On January 17, 2018, Cassadaga Wind LLC ("Cassadaga Wind") obtained a Certificate of Environmental Compatibility and Public Need ("Certificate") from the New York State Board on Electric Generation Siting and the Environment. The Certificate authorizes Cassadaga to construct and operate a 126 MW wind-powered electric generating facility and associated project components in the Towns of Arkwright, Cherry Creek, Charlotte, Chautauqua County, New York subject to certain conditions. Cassadaga Wind is petitioning the Siting Board for an amendment to relocate the POI substation approximately 700 feet northeast of the original certified POI substation location.

A copy of the petition can be found at the following:
