Re: Case No. 14-F-0490: Application of Cassadaga Wind LLC, for a Certificate of Environmental Compatibility and Public Need to Construct a Major Electric Generating Facility in the Towns of Charlotte, Cherry Creek, Arkwright and Stockton, Chautauqua County, New York

Petition to Amend Condition 147 on Tree Clearing

Dear Secretary Burgess:

We represent Cassadaga Wind, LLC ("Certificate Holder") in the above referenced matter. In furtherance of our January 11, 2019 filing, we have since identified that the Notice that was published and provided to the parties contains a link to the Project Sponsor's Baron Winds Project, rather than to the Cassadaga Wind Project website. An updated Notice is provided herewith, which is also being sent to the Party List today via e-mail, to the Service List today, and is being re-published with the newspapers as soon as possible.

Should you have any questions or require anything further, please feel free to contact me.
Thank you.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "J. Muscato II", with a long horizontal flourish extending to the right.

James A. Muscato II, Esq.
Jessica Ansert Klami, Esq.
