

Cassadaga Wind Project

Case No. 14-F-0490

1001.33 Exhibit 33

Other Applications and Filings

EXHIBIT 33 OTHER APPLICATIONS AND FILINGS

(a) Other Applications or Filings Concerning the Subject Matter of the Proceeding

The Applicant does not have, and is not aware of, any other application or filing that is currently being processed and which concerns the subject matter of this proceeding (i.e., the Cassadaga Wind Project). Specific to federal approvals, the Applicant anticipates that the Facility will ultimately require authorization from the U.S. Army Corps of Engineers under Section 404 Clean Water Act (and associated demonstration of compliance with Section 7 of the Endangered Species Act and Section 106 of the National Historic Preservation Act), and Determinations of No Hazard from the Federal Aviation Administration.

(b) Federal Permits, Consents, Approvals, or Licenses Required for Construction or Operation

Table 33-1 summarizes the anticipated federal permit, consent, approval, or license needed for the proposed Facility, based on the Applicant's current understanding.

Table 33-1. Federal Permits and Approvals for the Cassadaga Wind Project

Agency	Anticipated Application Date ¹	Description of Permit or Approval Required
U.S. Army Corps of Engineers ¹	Q3 of 2017	Section 404 or Nationwide Permit for Placement of Fill in Federal Jurisdictional Wetlands/Waters of the U.S. NEPA Compliance Compliance with Section 106 of the NHPA Compliance with Section 7 of the Endangered Species Act
Federal Aviation Administration ²	Q3 of 2017	Lighting Plan and Clearances for Potential Aviation Hazard. Includes formal consultation with Department of Defense

¹The anticipated application submittal dates assume the Article 10 Certificate will be issued in Q2 or Q3 of 2017. Ultimately, the Applicant does not anticipate submitted these permit applications until the Facility is Certified through Article 10 of the PSL.

²Determinations of No Hazard have been received for 62 turbine locations, and these will be updated following Certification through Article 10 of the PSL.
