

Cassadaga Wind Project's PRE-CONSTRUCTION NOTICE July 2019

This notice announces that, on or about August 16, 2019, Cassadaga Wind LLC (Cassadaga Wind or Certificate Holder) will begin tree clearing for the commencement of construction of the 125.5-megawatt wind-powered electric generation project located in the Towns of Charlotte, Cherry Creek, and Stockton, Chautauqua County, NY (Facility).

Pursuant to the Article 10 process, this notice is being provided in accordance with Certificate Condition Nos. 13 & 14 in the *Order Granting Certificate of Environmental Compatibility and Public Need, with Condition*, issued by the New York State Board on Electric Generation Siting and the Environment, on January 17, 2018. A copy of the Order (and all public documents filed in this proceeding) may be accessed electronically at the Department of Public Service website, www.dps.ny.gov. To access documents, go to "Search," type the case number, "14-F-0490," and click "Search by Case Number".

MAP OF THE PROJECT

BRIEF DESCRIPTION OF THE PROJECT

Cassadaga Wind will construct the Cassadaga Wind Project, a wind energy generation facility and associated necessary infrastructure) in the Towns of Charlotte, Cherry Creek, and Stockton in Chautauqua County, New York. The Facility will consist of 37 wind turbines, with a total anticipated generating capacity of 125.5 MW. In addition to the turbines, the Facility will include construction and operation of two permanent meteorological (met) towers, a system of gravel access roads, above- and belowground 34.5 kilovolt (kV) collection lines, an overhead 115 kV generator lead line, a collection substation, a point of interconnection (POI) substation, and an operations and maintenance (O&M)

building. Along with these permanent components, construction of the Facility will also require one temporary construction staging area (laydown yard) to store Facility components, accommodate construction trailers, and provide parking for construction vehicles.

TREE CLEARING SCHEDULE

The tree-clearing phase of construction is scheduled to begin on or about August 16, 2019. In the Town of Charlotte tree clearing work hours will be limited to 7:00 am to 8:00 pm on Monday through Saturday and 8:00 am to 8:00 pm on Sunday. In the Town of Cherry Creek tree clearing work hours will be limited to 6:00 am to 9:00 pm on Monday through Sunday.
